

## DMWA

### Amendment to Rules and Regulations (12.17.12)

#### 205. Termination of Service

Whenever an Owner desires to terminate or discontinue water service, the Owner shall complete an Application to Terminate Water Service. If the property is occupied by a tenant or anyone other than the Owner, such tenant or other occupant shall be identified by the Owner and either

- i.) consent, in writing, to the termination of water service to the property, or
- ii.) be notified as required by law, of the Owners intent to terminate the water service to the property, before termination occurs.
